Legend:

- Office of Foreign Assets Control (OFAC) Sanctioned Countries www.treas.gov/ofac. IRAQ2 = Assets of state bodies, corporations or agencies of former Government of Iraq blocked on or before 5/23/03, are to remain blocked, as described in Executive Order 13315 of 8/29/03. IRAQ3 = Designation given to those with whom US persons may not trade under Executive Order 13438 (7/17/07). Persons who threaten stabilization efforts in Iraq.
- Effective June 27, 2008, sanctions under Trading With the Enemy Act are terminated. Certain sanctions remain under the International Emergency Economic Powers Act (IEEPA) and National Emergencies Act.
- US Department of State Designation as State Sponsor of Terrorism www.state.gov/s/ct/c14151.htm.
- US Department of State's Bureau for International Narcotics and Law Enforcement Affairs, March 2010 Major Money Laundering Countries (MMLC), <http://www.state.gov/p/inl/ris/nrcrpt/2010/vol2/index.htm>. Identification as a "major money laundering country" is based on whether the area's banks engage in transactions involving significant amounts of proceeds from serious crime. It is not based on an assessment of the area's legal framework to combat money laundering; its role in the terrorist financing problem; or the degree of its cooperation in the international fight against money laundering, including terrorist financing. There were no changes from 2009 to 2010.
- Organization for Economic Development Designation as Uncooperative Tax Haven (UTH) www.oecd.org. There are none as of May 2009.
- International Monetary Fund Offshore Financial Centers (IMF) www.imf.org/external/np/ofca/ofca.asp. Now integrated OFC assessment with the Financial Sector Assessment Program, a joint effort of IMF and the World Bank, www.imf.org/external/np/fsap/fsap.asp.
- Financial Action Task Force (FATF) does not have any jurisdictions listed as Non-Cooperative Countries or Territories (NCCT) as of this update. The countries indicated above are identified as jurisdictions with strategic Anti-Money Laundering or Combating the Financing of Terrorism (AML/CFT) deficiencies. Refer to FinCEN Advisories FIN-2011-A006 and A005, FIN-2010-A013, A012, A010, A009, A003 and other FATF guidance. FinCEN designation indicates countries involved in recent events that elevate the risk of increased movement of assets or illicit finance threats.
- USA PATRIOT Act Section 311 authorized the Secretary of the Treasury to designate jurisdictions of "primary money laundering concern". **Burma** - In addition to entire country concerns and sanctions, the Myanmar Mayflower Bank and the Asia Wealth Bank headquartered in Burma are specifically identified as ML concerns. **Entities** - VEF Banka headquartered in Latvia and Banco Delta Asia headquartered in Macao SAR have been identified as ML concerns. Commercial Bank of Syria, including Syrian Lebanese Commercial Bank owned by the Syrian government, is also of concern.
- International Monetary Fund summary of OFC services last published March 2004 www.imf.org and the State Department's listing of OFC services at www.state.gov/p/inl/ris/nrcrpt/2003/vol2/html/29918.htm EC= Sells Economic Citizenship; IG = Internet Gaming; ST = Commit, threaten to commit, or support terrorism; BP - Blocked Property. To compile a comprehensive list of jurisdictions allowing Internet Gambling, several sources were consulted. The GAO Report to Congress on Internet Gambling, December 2002, www.gao.gov/new.items/d0389.pdf and the 2010 presentation by Dr. Robert Williams for the International Gambling Conference, Auckland, New Zealand, www.pgfnz.org.nz/Uploads/Conference/Presentations/Robert_Williams_2010_Internet_Gambling_NZ.pdf, as well as comprehensive lists found on www.casinocity.com, and <http://answers.google.com/answers/threadview/id/772198.html>. BMPE = Countries with Black Market Peso Exchange activity and DF = Duty free trade zones which may be used in trade-based money laundering as highlighted in FinCEN 2010-A001.
